Forensic Examiner Program

Nebraska Medicine

The Nebraska Medicine Forensic Examiner Program responds in person to Nebraska Medicine Main Campus and Bellevue Medical Center. The program also provides telehealth services, called TeleSANE, to Mary Lanning Hospital in Hastings, Nebraska and Faith Regional Health Services in Norfolk, Nebraska.

To request consultation by a Forensic Examiner when any of the below consultation types are suspected or reported:

1. Call 402-559-SANE (7263)
2. Request the Forensic Examiner On Call
3. You will be connected and can provide information regarding the consult.
4. Depending on circumstances, a consult will be performed immediately or scheduled.

Additionally, you can contact the Forensic Examiner Program Supervisor, Raven Lance, for any questions regarding consultations or the program.
