

Pediatric Transport Contact Information

Critical Pediatric Trauma Patient Transfer Requests

Please be prepared with the following information:

- Provider's name requesting transport and call back number
- Patient's name, age, DOB, and weight
- Chief complaint/diagnosis and present conditions
- Medical history and allergies, if known
- Current vitals and ABCs
- Treatment, medications started, and IV access

If requesting transport to Children's Nebraska:

Children's Nebraska Transport
850-5437

855-

- o Ask for assistance in coordinating a transport to Children's Nebraska for (state the need) i.e. Trauma, PICU, Orthopedics, Neurology, etc.

If Children's Nebraska Transport team is unavailable:

LifeNet or StarCare (AirMethods programs)
359-9111

844-

- o Ask for assistance in coordinating transport of a patient to Children's Nebraska
- o This will get you to an AirMethods Team that is closest.

If requesting transport of a patient to outside Omaha:

Children's Nebraska Transport
850-5437

855-

- o Ask for assistance in coordinating transport of a patient from Nebraska Medicine to [Destination]
- o You will be connected to a team member to triage call.

Children's Mercy
800-466-3729

- o Ask for assistance in coordinating transport of a patient from Nebraska Medicine to [Destination]
- o Communication specialists will connect you to the appropriate physician or team to coordinate transport.

If Specialized Pediatric Transport teams are unavailable:

LifeNet or StarCare (AirMethods)
359-9111

844-

- o Ask for assistance in coordinating transport of a patient from Nebraska Medicine to [Destination]
- o This will get you to an AirMethods Team that is closet with the appropriate asset.

Alternate Resource:

MercyOne (Sioux City, IA)
800-247-1911

- o Same process as LifeNet

**Air/Ground transport may be dependent on program regulations, weather, & team availability. For the safety of the team & patient, never pressure a team to change a decision based on decline for weather or comfort.
